2. Even at the dead time of the night, oh ono chri, oh!
 They broke my bower, and flew my knigt, oh ono chri, oh!
 With ae lock of his jet black hair, oh ono chri, oh!
 I'll tye my heart for ever mair, oh ono chri, oh!

3. Nae fly-tongued youth, or flattering swain, oh ono chri, oh!
 Shall e'er untye this knott again, oh ono chri, oh!
 Thine still, dear youth, that heart shall be, oh ono chri, oh!
 Nor pant for aught save heaven and thee, oh ono chri, oh!
